Parent/Carer Code of Conduct

At Stepping Stones Preschool, we value our strong relationships with parents and carers. Together this helps us achieve the very best for the children in a mutually supportive partnership between parents, carers and all staff.

As a partnership, our parents and carers understand the importance of a good working relationship to equip their children with the necessary skills for their lives. For these reasons we continually welcome and encourage parents and carers to participate fully in the life of our preschool.

To truly create the best outcomes for children requires the relationship between home and preschool to be based on the principles of care, integrity, trust and mutual respect. The maintenance of this relationship is important to ensure that a child or children are safe and not open to undue distress or anxiety.

Guidance

As well as following the guidance set out in our parent/carers partnership agreement, parents, carers and visitors are reminded:

- To respect the caring ethos and values of the preschool
- That both staff and parents need to work together for the benefit of their children.
- Approaching staff for help to resolve an issue is done in an appropriate manner (in private - away from the children etc.) If the child's keyworker cannot help please see management.
- All members of staff are treated with respect using appropriate language and behaviour.
